AAOMS Annual Meeting a Great Success

The JAWS Society booth at the AAOMS Annual meeting in Chicago was a great success. We distributed almost 800 membership brochures and 400 Spring Conference flyers. We received our first committed sponsor for the spring conference and a few other possible sponsors. Thank you Southern Anesthesia for the \$3000 sponsorship!

We had LOTS of interest in the conference and membership! Interest was shown both by practice managers and by the oral surgeons. We demonstrated that a JAWS membership benefits the entire practice not just the individual member.

Only time will show us the “fruits of our labor” and I will not be surprised if we have 150% growth in conference attendance and membership!

It's great to get the exposure to our peers at AAOMS and even more important the volunteers at the booth were so enthusiastic and positive about the JAWS Society. I definitely left with a renewed commitment and appreciation to be a part of such a great group of people.

A special thank you to our great volunteers, Danny Ketola, Keith Miller, Nancy Lutz, Donna Schmitt, Julie Spradin, Ruth Whitehurst, Scott Graham, Ruben Martinez Darcy Carlisle and Chris Murtagh. Thank you to Rhonda Ausley Grier, Susan Rust, Patty Newton and Misty Walsh for your help organizing the event.

See you all in Scottsdale!
